## Wednesday – March 22, 1300-1700

### IMT, FMO's, Agency Administrators

Virtual Link: [2023 AK Spring Meeting](#) Dial-in: 833-568-8864 Meeting ID: 161 497 0292 Passcode: 772322 Notes/Bin Collector: AWFCG

|      |  |   |                                     |
|------|--|---|-------------------------------------|
| 1300 |  | Welcome and Introductions   | Jason Devcich, Jake Livingston, DOF |
| 1315 |  | <p>Incident Strategic Alignment Process (ISAP): Combining the Strategic Risk Assessment &amp; Strategic Operations concepts to foster risk informed decision making and alignment throughout the duration of an incident, and at all levels of the incident organization. ISAP is intended to be a consistent repeatable process, founded on 4 Pillars:</p> <ol style="list-style-type: none"><li>1. Critical Values at Risk</li><li>2. Strategy &amp; Strategic Actions</li><li>3. Responder Risk</li><li>4. Probability of Success</li></ol> <p><u>Format:</u></p> <ul style="list-style-type: none"><li>○ 1315-1415: overview presentation which anchors to the “Why” behind this effort and provides an introduction into the 4 pillars.</li><li>○ 1430-1700: will break apart each of the 4 pillars and spend about 30 minutes on each, focusing on the key concepts, and working through a little of the “how to”, with some simulation of what those particular conversations or processes might look like on incidents.</li></ul> | NIMO                                |
| 1515 |  | Break   |                                     |
| 1530 |  | Incident Strategic Alignment Process (ISAP)   | NIMO                                |
| 1700 |  | Adjourn   |                                     |
